***If you do not list your catchment area school as one of your preferences and it is not possible to allocate a place at any of your listed preferences, you may only be offered a place at the nearest school that has available places.** This may not be your catchment area school and could, in some circumstances, involve you paying transport costs to a school some distance from your home address.

It is very important that you understand the admissions criteria for each of your preferences. This will enable you to assess what order of priority will be given to each preference. The admissions criteria will also show you if you need to complete a supplementary form or provide additional supporting information for each of your preferences.

Each of your 3 preferences will be assessed against the schools published admission criteria. If a place can be offered at more than one of your preferred schools then you will be offered the school which is ranked highest on your list of preferences.
